

Internship Program at Phoenix

About Phoenix Advisers

Phoenix Advisers is a boutique transaction and investment advisory firm. The firm was founded by professionals with decades of experience advising on complex transactions and investment advisory & management. We work with business owners and investors across India and the Asia-Pacific region. Having the valuable perspective of both 'buy' & 'sell' side negotiations across multiple transactions, the Phoenix Advisers team has served as shareholders representatives for some of the country's largest corporates and families for Real Estate and Education transactions. Our approach prioritises alignment of interest and long-term wealth generation in all transactions and investments. Learn more about us at www.phoenixadvisers.com

Who Can Apply

We seek passionate and driven individuals pursuing or recently completed their undergraduate or postgraduate studies in Finance, Business, Economics, or related fields. Ideal candidates should exhibit strong analytical skills, a keen interest in financial markets, and a desire to learn and grow within a dynamic environment.

Period of Internship

The internship program is structured for 2 to 6 months, starting in the summer of each year. Interns work with seasoned professionals and gain exposure to real-world financial transactions and investment strategies. The program features a hybrid work model, with three days in the office and the rest remotely, ensuring a balanced learning experience.

What We Expect

- **Commitment and Enthusiasm:** We expect interns to be enthusiastic and committed to their work with the willingness to learn
- **Analytical Skills:** Ability to analyse financial statements and perform market research.
- **Team Collaboration:** Strong interpersonal skills and ability to work effectively in a team environment
- **Proactive:** Initiative in contributing ideas and taking on responsibilities

Takeaways

- **Hands-on Experience:** Gaining practical knowledge in Transaction Advisory and Asset Management
- **Skill Development:** Enhance your financial analysis, research, and strategic thinking skills
- **Professional Growth:** Work closely with industry experts and receive mentorship
- **Networking:** Build a professional network within the finance and advisory sectors
- **Career Opportunities:** Opportunity to secure a full-time placement offer upon completing the internship.
